

Welburn Hall School

# Welburn Hall Weekly

Friday 23rd February 2018

**World Book Day 1<sup>st</sup> March**

**Please send your child dressed as a book character if they wish.**

On Friday 9th of February we had a fantastic life skills session farming. We worked hard mucking out Skye's stable, filling water buckets and hay nets. We then brought Skye out of the field and groomed her, she was lovely and clean when we'd finished.

Skye is looking forward to meeting her new life skills group.

Skye loves the attention and careful handling.

Skye and Erin sharing a moment as they head for the stable.

On Wednesday the 21st of February, all of KS4 went to the rugby club in Scarborough to take part in the Special School Sports Partnership Panathlon. The students took part in a range of activities such as Boccia, Kurling, Table Cricket, Long Jump, Javelin, Polybat and a Wheelchair Slalom.

All of the students tried really hard and represented the school well. At the end of the day, the scores were added up and it was announced that Welburn Hall came FIRST!!

All of the students were incredibly happy and they all received a gold medal. WELL DONE KEY STAGE 4!!
