As we have just started in to a new term, can I just remind all parents and carers to keep a weekly check on your child's hair for Head Lice - if you need any help in identifying or treating Head Lice then please visit <http://www.onceaweektakeapeek.com/> If your child boards, we will be happy to help check with your consent. Just drop a note to the school office.

This week goes to Emily & Jayden

Keeping Children Safe on the internet

Blue Whale Game

We have been informed of a **potentially dangerous social media game**, called the 'Blue Whale Game' and is being played across various social media platforms by youngsters. It involves players being given a master that will control them and make them do tasks every day for 50 days. It seems like harmless fun but following investigations into the game the game was found to be behind a large number of teen suicides. According to reports, those who took their lives had completed smaller challenges in the 'game' over the 50 days and by the end of the game, youngsters were encouraged to try to 'win the game' by killing themselves

You Tube

There has been reports of very disturbing pictures and images in children's programmes on You Tube, if your child watches You Tube unsupervised, please check that these upsetting and disturbing images are not part of the programmes watched.
