

Welburn Hall School

Welburn Hall Weekly

Friday 30th June 2017

This week we have had two Ryedale School students on work experience, Ellie Kendall and Miles Cullingworth. Both worked hard and enjoyed their time with us.

Garden Party Tomorrow

If you have any donations of cakes please bring them along on the day!

RDA Endurance Ride

On Wednesday 5th July, we are having a ‘Magnificent Maths’ day. The pupils will be off-timetable in order to participate in five very different, exciting and interactive maths activities. We hope to show the children how maths is used in ‘real life’ and give them some highly memorable learning experiences. They do not need to bring anything for the day, but may be outside (weather permitting) more than usual so we can make the most of our fantastic grounds. Please ask them to share the learning with you after the event. We’ll give you an update and some pictures of all the fun in a future newsletter.

Thanks for your support, Julie Simmons (maths lead).
