Welburn Hall School

PLEASE remember all medications MUST be handed to the taxi driver not left in children's bags - Thank you

On Tuesday LKS4 did some Halloween science! First we carved some pumpkins to make the classroom spookier! Then we had a go at making slime. We used PVA glue, bicarbonate of soda and contact lens solution. The students added glitter and food colouring to make their slime look brilliant.

Please support the College Enterprise stall at Beadlam Grange Christmas Fair on 17th, 18th and 19th November.

There will be lots of nice treats to buy as the College have been working very hard all year!
