## Tag Rugby @ Heworth

The annual inter-schools tag rugby tournament took place at Heworth ARLFC. Welburn Hall were champions two years ago but the competition has grown and now includes PRS schools like the Rubicon from Selby and Danesgate from York. We were greeted by fine weather and free coaching from York Knights and PE students from York St John College. There were some outstanding performances from the Welburn players and their positivity and sportsmanship stood out from all other schools. As the scores and tries were added up we discovered that our team had taken second place. This is quite an achievement given the high number of schools in attendance and I was immensely proud of every player. Well done everybody!
