On Friday the 15th of September one of our life skills groups went to Pickering! We practiced our road safety skills when we walked to see the steam train. After that we went to Mr Wilf's cafe and we used our money skills to see what we could and could not afford from the menu. Then we went into Lidl and had a look around the supermarket and some students found items from our shopping list. It was a lovely morning!

Welburn has been awarded the Gold School Games Mark again! Well done Mr T!
