The college 3rd years went to Edinburgh from the 4th to 8th of June.

We stayed in a flat in the city centre. We had a great time in Edinburgh and we were very busy. We went out every day, we went to the zoo, Camera Obscura, the Dungeons, Dynamic Earth, the cinema and we went on a boat trip on the Firth of Forth. We went out to restaurants every day and went for walks. We went to Edinburgh Playhouse to see Wicked the musical which was wicked to watch!

I enjoyed everything we did, thank you to the staff who came with us.

A Massive Thank you to the staff involved on this fabulous trip,
which the students get so much from!

It's a great experience trying city life for a week.
