Kilnsey Fishing Trip March 2018

On Wednesday 28th March, the college fishing group went to Kilnsey Park in the Yorkshire Dales to fish for trout. In the morning, the group had a walk around the grounds, looking at the trout farm where they have fingerlings through to adult trout, the bee hive, the nature walk and the animals. After lunch, the students, and staff, had a go at fishing on the lake. Everyone managed to catch a trout to take home. We all had a lot of fun and we would like to thank our fishing coach, Jeff Metcalfe for donating his time to lead the fishing sessions in college and for organising a very enjoyable trip.

College students hard at work making sure the birds at NCBP have plenty of clean water in their baths and clean feed trays.

Fantastic team effort.
