The creative craft enterprise group are preparing for our annual Christmas stall. These penguins are some of the crafts that the students have completed for the stall. They worked hard to research and produce the penguins. I think they have turned out great, best looking penguins I have seen!!
Keep up the good work.

The Helmsley walled garden group.

The students spent a lovely morning in the sunshine at the walled gardens on Tuesday. They tended to the raised beds we had planted. It was lovely to see how much the plants had grown and they got chance to taste the radishes they had planted.

The radishes look great!
