### Recent iMUSE News!

iMUSE, for those of you who don't know, is a 1-1 multi-sensory therapeutic musical session. Over 75% of our main school pupils attend sessions regularly. It has supported pupils with anxieties, with communication and helps pupils who may struggle to concentrate, to experience a calm environment where they can relax, make choices and express themselves. This makes it easier for them to focus and be calm when they go back to normal lessons

At our 2017 Christmas production we held a raffle and asked for donations for iMUSE. The total came to more than £300 and, as a result, we were able to run an extra afternoon and offer 6 more pupil's iMUSE sessions this term— great news! Thanks to all who contributed.

Also this term we have been able to share good practice with our colleagues at Accessible Arts and Media in York: our two iMUSE practioner's, Sian and

Emma have visited AAM to see how they use iMUSE and colleagues at AAM have visited us – they were very impressed with how we use iMUSE to support our pupils and the success our pupils achieve in the iMUSE setting.

We were also fortunate to have a visit from Kelly from AAM who has taken some photos and short video clips of some pupils using iMUSE. We hope to make a short film to put on our website and also use it to show other schools the benefits of iMUSE.

Although I am leaving Welburn at the end of this term, I am also working for AAM as iMUSE coordinator across North Yorkshire, so I hope to keep in touch with what is happening with iMUSE at Welburn.

I'd like to thank you for your support over the past few years in attending our production / musical events – it has been greatly appreciated! - Julie

**Happy Holidays Everyone!**
