**AIMS:**

It is the aim of the Governing Body to ensure that all financial resources made available to the school are used in an efficient and effective manner in order to ensure that Value for Money is achieved. The aim of this policy is to create a framework within which individual members of the school staff and the Governing Body can achieve this.

This policy conforms to the requirements of the LMS Scheme for the Financing of Schools (hereafter referred to as the LMS Scheme) as set out by the Department for Education (DfE) and the North Yorkshire County Council LMS Financial and Contract Procedure Rules (hereafter referred to as the LMS Procedure Rules). The framework within this policy should be operated in conjunction with both the LMS Scheme and the LMS Procedure Rules. It is based on the County Council's recommended model.

**GUIDELINES:**

Financial decisions will be made after consideration of:

- a) the needs of the pupils/students and staff of the school;
- b) the conditions and requirements as laid down in the LMS scheme;
- c) the need to support and deliver the National Curriculum together with any additional elements as agreed by the Governing Body;
- d) the financial resources delegated to the school; and
- e) the priorities as identified in the costed school improvement plan.

## ORGANISATION OF RESPONSIBILITY AND ACCOUNTABILITY

### ROLES AND RESPONSIBILITIES

#### 1. The Governing Body

The Governing Body has a statutory responsibility to oversee the financial management of the school and to ensure adherence to the LMS Procedure Rules.

The Governing Body recognises the importance of clearly defining the roles and responsibilities of the Headteacher, individual governors (who have specific areas of responsibility) and other staff.

The Governing Body will meet at least once a term to consider, as a minimum, the following:

- a) financial monitoring statements,
- b) the school's budget and long term financial forecast,
- c) the end of financial year outturn statement, and
- d) the annual completion and submission of the Schools Financial Value Standard (SFVS).

#### 2. The Headteacher

The Headteacher is responsible for:

- a) the detailed preparation of an annual school budget which addresses the strategic aims and targets established by the Governing Body;
- b) the day to day management of the school budget under the Scheme of Delegation as set out at Annex B and approved by the Governing Body; and
- c) ensuring the effective operation of the finance function within the school, to include:
  - i. the roles of each member of staff being clearly defined and the duties of staff with responsibility for financial transactions being, as far as is practicable, distributed to ensure that key tasks such as the processing of orders and invoices, are assigned to separate members of staff (segregation of duties) and that appropriate systems of internal check exist;
  - ii. the adherence to the LMS Procedure Rules;
  - iii. the establishment of systems to ensure that financial control is maintained at all times including procedures in the absence of key staff; and
  - iv. the maintenance of appropriate documentation and transactional records.

#### 3. The School Business Manager (SBM)

The Headteacher / SBM is responsible for (using support from the services of a Financial Management Services (FMS) Team Support Officer):

- a) the preparation of the school's annual budget and longer term spending plans;
- b) the maintenance of computerised records of income and expenditure in line with the DfE recommendations for Consistent Financial Reporting;
- c) the checking and reconciliation of the school's financial records to monthly tabulations provided by the Local Authority and to monthly bank statements; and
- d) the undertaking of monitoring procedures and the production of regular monitoring statements for the Headteacher and Governing Body (or Finance/Resources Committee).

## **PROCEDURES**

All documentation of accounts and finances will be kept in accordance with advice from the Local Authority.

Procedures for keeping accounts will be in accordance with the LMS Procedure Rules.

A copy of the school's most recent auditor's report will be available for inspection by Governors, OFSTED Inspectors and Officers of the Local Authority.

## **PECUNIARY AND OTHER BUSINESS INTERESTS**

Governors and staff of the school will be required to complete a Register of Business Interests and declare any links they or any member of their immediate family have with any firm from which the school may wish to buy goods or services. The basic principle to be followed is that any interest should be recorded which could be seen to improperly influence any decisions taken, pecuniary or otherwise, regarding the operation of the school.

The Register will be:

- a) annually reviewed;
- b) maintained for any in-year changes as notified; and
- c) made available for inspection by Governors, staff, parents and the Local Authority.

## BUDGET

### 1. Aims and Objectives

The Governing Body together with the Headteacher will consider and provide costing information both for maintaining the required level of educational provision as well as proposals to develop the short, medium and long term aims and objectives as identified in the School Improvement Plan.

Such consideration will include the determination of an appropriate level of general contingency and the formulation of a policy for the application of any balances in excess of the agreed target for general contingencies on the development proposals within the School Improvement Plan.

It is recognised that finite resources will lead to a need to prioritise proposals and to accelerate/delay spending plans as circumstances change.

### 2. Budget Timetable

The Headteacher (or their delegated representative) will prepare financial information for consideration by the Full Governing Body and submit it to the Local Authority, where applicable, in line with the following timetable:

Date	Action / Response

March / April	Prepare and present to the Governing Body the <b>proposed start budget</b> for the next financial year and the <b>long term financial forecast</b>
May	Prepare and present <b>outturn statements</b> to enable the Governing Body to consider the financial performance in the previous financial year

By December 31 <sup>st</sup>	Submit the <b>approved revised budget</b> to the Local Authority

The Governing Body will not submit a deficit budget unless there are exceptional circumstances and advice and written agreement have been received from representatives of the Local Authority bearing in mind that deficits require the prior approval of the Corporate Director – Strategic Resources and the Corporate Director – Children and Young People’s Service.

Budget monitoring reports will be considered by the Governing Body at least once a term. Reports will reflect both sums paid and sums committed but not yet paid and estimated expenditure and income for the remainder of the financial year against approved budget headings and will be reconciled to the Local Authority’s ORACLE statements and school bank statements.

### **3. Efficiency & Value for Money**

The School will seek to achieve efficiencies and value for money to optimise the use of its financial resources and to invest in teaching and learning. It is the responsibility of the Headteacher and Governing Body to determine at school level how to secure better value for money.

### **4. Financial Benchmarking**

The Headteacher (or their representative) will prepare for consideration by the Governing Body financial benchmarking comparisons on an annual basis each Autumn Term. The benchmarking data will be extracted for similar schools from either the local financial benchmarking database for North Yorkshire schools or the national DfE financial benchmarking database. The conclusions and recommendations resulting from this process will be used to inform the financial planning and resource allocation process.

### **5. Review of Contracts for Services**

The Governing Body (or individual governors with delegated responsibility) will review the quality, cost and impacts of services purchased from external providers (including the Local Authority) on a regular basis **and** before contracts are renewed. ### **7. Level of Balances**

The Governing Body will annually review the balances situation of the school and make recommendations, taking into account an optimum level of balances which has regard to the specific issues facing the school whilst acknowledging that financial resources are allocated to schools annually on the number of pupils in the school at that time.

The Governing Body will have regard to any balance limits placed on schools by the Local Authority and DfE.

### **8. Virement Procedures**

Unless the level of change does not warrant it the budget will be revised each Autumn Term and the Governing Body will be able to vire funds between budget headings within the school's overall budget (with the exception of any earmarked funds) or from unallocated resources as appropriate.

Requests by the Headteacher for the further virement of funds outside the scope of the Scheme of Delegation to the Headteacher will also be considered by the Governing Body and be subject to their minuted approval.

For purchases in excess of £100,000 tenders will be obtained as laid down in the LMS Procedure Rules.

The Governing Body requires that staff will follow official ordering procedures at all times and written pre-numbered orders will be used. Verbal orders will be followed up by a written confirmatory order. Individuals must not use official orders to obtain goods and services for their private use. All official orders will be recorded on the

The school will operate an online income collection system which has been approved for school use by the Local Authority and in line with the LMS Procedure Rules.
