

Welburn Hall Weekly

Friday 4 July 2025

Hello and welcome to our weekly Newsletter.....

School dinner arrears

We are £136.00 in arrears for school meals. Can parents please clear any dept. School lunches must be paid in advance. Automatic top-up, for as little as £5, can be set up on Parent Pay.

Thank you for your understanding

Summer 2 Term Food Tech Contributions

Payments can now be made towards Summer 2 Term Food Tech.

So, if you are able to contribute, please do so via [ParentPay](#). Thank you

Parent Pay activation letters have now been sent home in book bags.

If you haven't already done so, can we please request that you log in and activate your account. Even if your child has free school meals we still need parents to have their own Parent Pay account.

Your help is greatly appreciated. Thank you.

We are a nut aware school

Heads-up!

Hello all,

As we approach the end of term in two weeks' time, we are getting ready to move back into the main house. Work has been largely completed with a few bits left to finish over the holidays. The contractors are planning a guided visit for pupils who will be in the classrooms in the house, which may involve some special visitors - watch this space!

Speaking of visitors, we welcomed Kevin Hollinrake MP to the school last Friday to see the work that has taken place, and share with him the wonderful world of Welburn Hall. He was very impressed with the facilities and the provision here and even requested to come to our annual "Welburn's Got Talent" at Helmsley Arts Centre next February.

Transition activities for the learners will start over the next few days, hopefully this will give the children opportunities to meet their new class and staff for those moving groups and for those remaining in their class, a chance to make new friends.

Hope you all have a lovely weekend.

Alison

Delicious nachos with homemade guacamole, salsa and sour cream were on the menu for this weeks' staff lunch. And what a treat it was! Thank you to our chefs for their scrumptious creation.

A little splash to cool down in the hot summer sun.

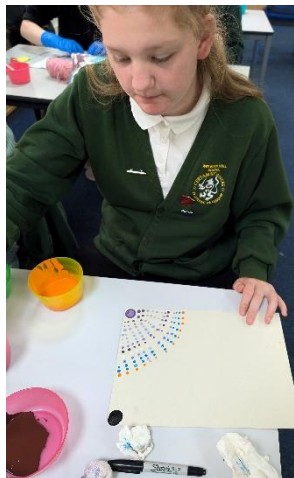

This week Mr Western's class created their very own café - Rainbow Café! They started with making a sign, then writing their own menus with prices.

To finish off they practiced taking orders and serving their classmates.

Everyone had lots of fun and it was great for their social and communication skills.

ART CLUB

Art club has been very busy yet again with learners getting creative with their polymer pocket pals and dotwork practise. There is so much talent in so many areas at Welburn Hall School and we love to see our learners express themselves creatively through Art, Music or any other means.

EXCELLENCE

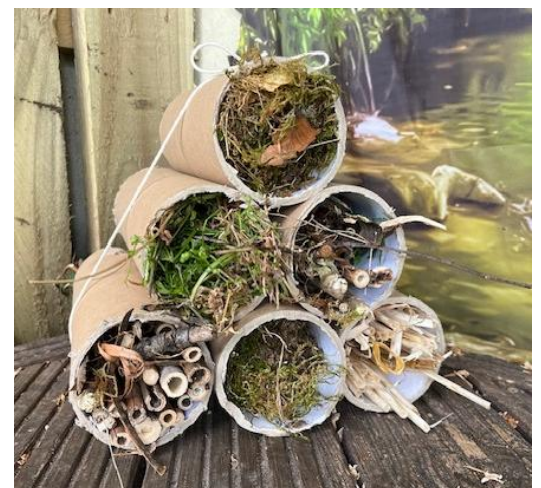

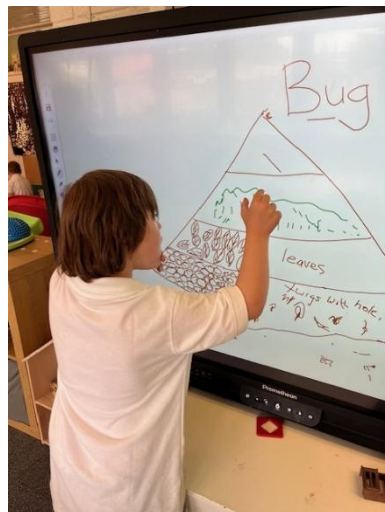

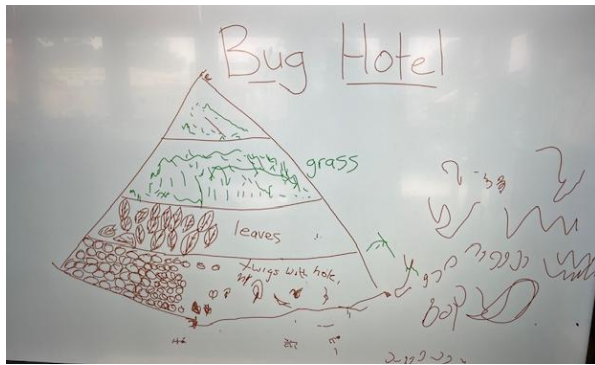

This week, Welburn's science group had an unforgettable visit to the state-of-the-art laboratories at King's Academy. The students immersed themselves in a range of hands-on experiments that sparked curiosity and excitement at every turn.

From dissecting chicken legs to explore muscle and tendon structure, to observing vibrant colour changes in metal salt solutions with Bunsen burners, the group was fully engaged in scientific discovery. They even had a hair-raising experience with Van de Graaff generators—literally!

The highlight of the day? In a carefully controlled (and very safe!) demonstration, the students had the rare chance to *set their teacher on fire*—with science, of course! Don't worry: the flames were brief, the teacher was protected, and everyone left with a greater appreciation for the power and fun of chemistry.

A huge thank-you to Mr Cameron for hosting such a thrilling and educational experience!

Pre-Formal enjoyed collecting items from our grounds to make a bug hotel.
One learner in particular took on the job of Designer and Project Manager. 😊
