This will feed into weekly planning. Weekly planning will detail focus activities and learning objectives taken from the relevant area of development matters. All sessions will have an adult lead focus activity reflecting the area of learning, pupils will have free access to continuous provision and be able to direct their own learning. Weekly planning will also highlight areas of focus for teaching assistants.

Continuous and Enhanced Provision

Area	Autumn	Spring	Summer
Classroom			
Creative/Mark Making	Story link, colouring pages, story pictures	Plant and animal colouring and crafts	The Scarecrows Wedding – feathers, flowers, shells, bells, rings Pictures to decorate
Number	Numicon Numbers	Numicon Puzzles	Numicon Shapes
ICT / Investigation	Cause and effect toys Ipad – locked with guided access	Cameras Ipad - locked with guided access	Remote control toys Ipad - locked with guided access
Malleable Materials	Salt dough Mats to encourage participation linked to areas of learning	Magic sand Mats to encourage participation linked to areas of learning	Play doh Mats to encourage participation linked to areas of learning
Reading	Access to story and picture books Letters – templates to mark make on, simple examples to read	Access to story and picture books Postcards - templates to mark make on, simple examples to read	Access to story and picture books Wedding invitations - templates to mark make on, simple examples to read
Outdoor			
Construction	Building using natural materials	Using tools	Scarecrow making
Sand	House moulds	Plant moulds and gardening tools	Cake moulds
Water	Water wall Empty and filling containers	Water wall Making and sailing boats Funnels and watering cans	Water wall Sponge water bombs Water play – weather depending
