

Welburn Hall Weekly

Wednesday 6th April 2022

Hello dear students, parents, carers and staff. The holidays are almost upon us and we have been hearing of lots of lovely plans due to occur during the half term break. Let's just hope the weather permits it!

For those of you who have donated Easter eggs towards Friday's raffle, thank you so much! The Upper Formal KS5 students are looking forward to hosting their fundraiser. If any of you have not yet had the chance to enter the "Guess the Name" game then do not worry, you still have until Friday to do so.

GOOD LUCK!

This week, Upper Semi-Formal 5 and Lower Semi-Formal were given the opportunity to take part in an inter school bowling competition at Tenpin York. There were 19 schools competing in total. All pupils were exceptionally well behaved and worked hard. Our Upper Semi-Formal class managed to achieve 2nd place which is amazing, Well done.

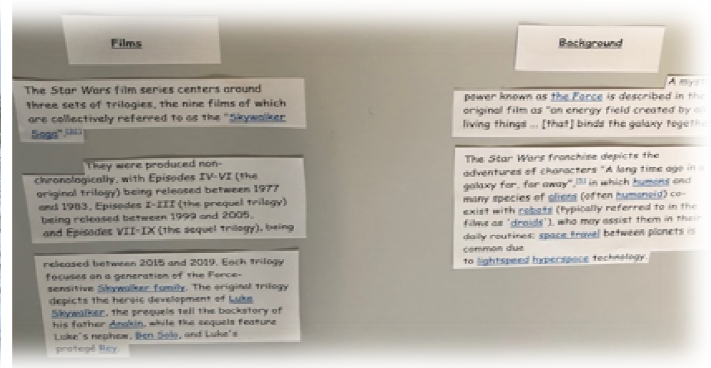

It's a tough job but someone had to do it! The birds at NCBP are moving houses so a spring clean was in order for the new residence. What a difference! Well done boys

Excellent attitude, Perseverance when the work was so hard and Respect for the birds by providing a clean home.

This week in Nurture 2, we have enjoyed some snow time. We have spent a few weeks learning about autism. One of our students created a reported call Autism and Me! To practice with our report layout and information, we used a Star Wars theme to unpick the features of Non-Chronological Reports. We explored facts and opinion, paragraphs, headings and subheadings.

Upper Informal have undergone taste testing with different foods beginning with the letter M. Some of the foods we were trying for the first time and others we were not so sure of... I promise it was not a bush tucker trial!

We tried mango, mangetout and marmalade and had mixed responses.

Wednesday 13 April 2022

Collapsed Curriculum Day

Friday 29 April we are holding a 'collapsed curriculum day'

The Theme of the Day is 'Disability Awareness and Acceptance of and Celebration of Differences'

There will be various activities for the students to participate in, including a visit from Go Kids Go

All the students will have the opportunity to use wheelchairs to participate in games and activities. Go Kids Go have visited the school previously and everyone, including the staff, had great fun participating in wheelchair games.
