

# Welburn Hall Weekly

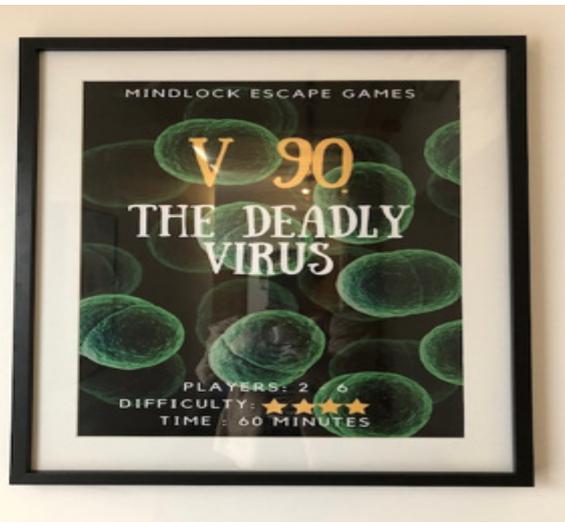

Wednesday 27th April 2022

Welcome back everyone. We hope you enjoyed your break and that you overindulged on all things fun. This week has only been a short one so far, unfortunately, we do not have very much to report on.

Lower informal pupils had been practicing important safety rules to ensure their safety when going out and about in the community. The children have been working on this within school and put it to the test whilst on their 'Out and About'. Pupils were vigilant during the Easter egg trail at Thornton le Dale and were rewarded with a bag of sweets for finding all of the wooden rabbits. They were polite when communicating to pay for their delicious treat, which was an ice cream. They also had the opportunity to see and feed the lovely ducks round by the pond. Pupils were all fascinated by the chicks and Mandarin duck. The perfect way to end last term.

This week Nurture 2 went to an escape room in York. They worked beautifully as a team, shared responsibilities, took turns and led certain sections of the challenge. The rest of the class are bowling on Thursday. We have also been creating a contraption for our Egg Drop Challenge [images to follow next week]. What a lovely start to the term!

In food tech this term the theme is Captain Cook. Upper Formal KS4 are doing recipes from various countries that he sailed around. This includes traditional recipes from Ethiopia, Hawaii, and America. The children will experience the making and tasting of each type of cuisine and talk about the difference or similarities between other countries and ours.

**Reminder:** School will be closed next Monday 2<sup>nd</sup> May as it's bank holiday.

#### Collapsed Curriculum Day

**Friday 29 April we are holding a 'collapsed curriculum day'**

The Theme of the Day is 'Disability Awareness and Acceptance of and Celebration of Differences'

There will be various activities for the students to participate in, including a visit from Go Kids Go

All the students will have the opportunity to use wheelchairs to participate in games and activities. Go Kids Go have visited the school previously and everyone, including the staff, had great fun participating in wheelchair games.

## Staffing Update

*At the end of term, we said Goodbye to Jo Roger who is leaving us for pastures new. Jo has worked here for 6 years and was a professional and very dedicated team member...the good news is that she will be remaining on our supply staff list so we will hopefully see her in school again.*

*Jane Barlow who works on the Care team and (mainly seen by our College students) as she covers the waking nights will be leaving the team on Friday. We would like to thank Jane for her commitment and work she did during the nightshift.*

Please remember to send in your child's menu choices for the three weeks. If you require a copy of the menu sending then please ask the admin team.

Thank you and enjoy the rest of your week.
