What have we been up to?

Mr Scott's class was visited by PCSO Steve Ridley last Thursday. He talked about internet safety, how to keep safe whilst gaming, different types of offences such as malicious communication and harassment. He explained how to contact the police and which number to use in a non-emergency. all the children enjoyed his visit and asked some very relevant questions. He was impressed by their knowledge.

For Safer Internet Day, the students from Mrs Clapton's Lower Formal class watched a video on Internet Safety and then did a quiz based on what they had learned. They played a game outside on making the right choices when playing online.

Formal KS5 have been learning about stress and coping with stress as part of their Open Award in Employability and Professional Development.

To test out how the students cope with stress, we went to an escape room in York. The class split into two separate escape rooms, and they had one hour to solve the clues and escape the room. One group made it out with 3.36 minutes to spare! The students worked well as a team and coped well under stressful conditions!

Mrs Foy and her Upper Informal class have been planting tulip bulbs as part of their gardening for pleasure for their Independent Living diploma. They have already started to grow leaves and the students are learning how we look after them.

Fundraising Event at The Sun Inn at Pickering:

The Sun Inn on Westgate, Pickering held a quiz night on 10th February and they decided that the proceeds were to be donated to Welburn Hall. Initially the amount raised was £229.12, but then the winners of the quiz won an additional £50.00 cash which they so kindly donated raising the final total to £279.12p. Thank you so much to Cath McGill, Viv Stephens and Evette Dadswell from our school governors for the arrangements that were put into place and for sorting prizes. We would also like to thank Sharon from the Sun who was so welcoming & made everyone buy raffle tickets. The prizes went down very well. Viv did an amazing speech about the history of Welburn Hall and informed everybody of what we were fundraising for we got a lovely round of applause. Thank you if you attended or contributed. If you would like to learn more about the Home School Association or would like to help with fundraising, please contact admin@welburn-hall.n-yorks.sch.uk All offers of support will be appreciated.
