

Welburn Hall Weekly

Friday 26th November 2021

Welcome back to week 47 and this week's edition of WHS' Newsletter. We apologise for the lack of correspondence last week. Due to staff sickness we were unable to send out a newsletter. We are now down to the final three weeks of learning in 2021 and we have lots of great festive themed events coming up.

Last week was Anti-bullying week and Formal KS5 put up compliment posters around school to encourage kindness!

They say things such as "You make a difference" and "You are a good listener" etc. The idea is that these are ripped off and placed anonymously to bring happiness to the receiver. What a lovely idea.

In keeping with the theme of kindness, here are some photos of last week's Assembly with Rev Sue and Rev Melanie. It was based upon the idea that every being is an individual and they did an experiment with Skittles and water to show how everyone is different but how we all mix together to create a Community. They also discussed Anti Bullying week and ways to be kind to each other and the children offered up lots of suggestions such as smiling and sharing things.

In this week's assembly the children assisted with creating a wreath. Each child took a piece of foliage to put into the wreath. They were then told how the candles in the wreath represent the light that Jesus brought into the world along with all good things and that the wreath represents eternal life.

Lower Semi-Formal have been making the most of the outdoors and gathering up leaves, twigs, foliage and acorns. Using cardboard and their imaginations, they created Mr and Mrs Twit from their class topic book and the array of natural autumnal colours made them look just perfect. They also discovered a new play park whilst on their out and about travels which they were very happy to take a closer look at.

Look at these fabulous apple pies made by a very hard-working student. They were extremely quick sellers with staff snapping them up for £2.00 each. Some College students have chosen catering as their vocational subject and are working hard to gain their Open Awards evidence. Tuck shop is a great success and we are planning to make mince pies soon to sell on the produce stall as well as lots of other tasty delights.

The Enterprise Team had great fun at their Beadlam Grange stall over the weekend and managed to raise £308.20 on the stall and the raffle that Beadlam Grange donated to us raised £1322.20 so a whopping £1630.40 in total. Huge well done to all involved and thank you to those of you that managed to go and show support, it really is appreciated and goes a long way to help our animals and keep them accustomed to a life of luxury.

We also raised £32.00 for Children in Need.

! So far, we have had no responses to the post below which was in the last newsletter. Please could you either email / phone the office or pass a message to your child's teacher if your child is interested in being entered into the draw. !
