

Welburn Hall Weekly

Friday 7 June 2024

Hello and welcome to our weekly Newsletter.....

School dinner arrears

We are currently owed £187.65 for unpaid school meals. We would very much appreciate it if you could check your account and make sure it is in credit.

Thank you for your understanding

Summer 2 Food Tech Contributions

Payments can now be made towards Summer 2 Food Tech.

So, if you are able to contribute, please do so via **ParentPay**. Thank you

As of today, 91% of ParentPay accounts **have been activated** – so thank you for your support and cooperation.

For those who have not activated their account, **please can you ensure that you login to ParentPay and sign up as a matter of urgency.** We need **ALL** parents to activate their account, even those receiving **Free School Meals** to ensure you receive the full benefits of the system. Thank you!

Heads-up!

Dear Parents and Carers

Another busy week at Welburn, with lots of activity for the staff getting ready to finish off this year and prepare for transitions in the last week of term. As usual we will want to change over to the new teachers, groups and rooms as much as we can so the children are prepared before the summer. We will be informing children in Week 6 and yourselves the week before.

I am happy to tell you the contract has been awarded for the refurbishment works on the House, which have started! Once term finishes, the builders will immediately set to work on the excavations, hopefully minimising the impact next year. As things stand we are on track to reopen the House in September 2025!

Happy weekend, hopefully not too much rain!

Marianne

Parent Workshops at Welburn Hall School

Just before the half term break and in conjunction with the team at Daisy Chain, we held our first parent workshop. It was an extremely informative session that shared advice and research about autistic overwhelm, meltdown and shutdown; we certainly hope that attendees found it to be of interest. The plan is to do more of these sessions, so please keep reading our weekly newsletter for details.

Daisy Chain work with Autism Central, who offer parent and carer support through a variety of activities and channels.

Please [click on this link here](#) for current workshops open to parents and carers.

Also included with this newsletter is the Autism Central handbook:

Understanding autistic overwhelm, meltdown and shutdown
A resource for parents and carers of autistic people –
we hope that parents will find it of use.

Understanding autistic overwhelm, meltdown and shutdown
A resource for parents and carers of autistic people

Autism Central logo and other small logos at the bottom of the handbook cover.

The North Yorkshire Inclusive School Sports Partnership is all about helping children and young people do more school sport and general physical activity. With this in mind some of our college students recently took part in a golfing session organised by them.

Welburn Hall students competed against another school and came in 1st place!!! Each pupil undertook putting, chipping and driving challenges and then played two holes on the course.

Well done to everyone who took part.....FORE!

This term Upper Formal 4 have been learning about chemical reactions!

In particular they've been investigating the release of gases when two chemicals are mixed together.

The students decided to experiment with the carbonation of different fizzy drinks and how this impacts the amount of carbon dioxide released when reacting with Mentos.

They had lots of fun and a few people may have gotten sprayed! (Never mix a Mento with Dr Pepper!)

In Food Tech this week Pre-Formal had their own star chef who made chunky oven chips for everybody in class!

Needless to say - they were absolutely delicious!

Police & Parents Evening Pickering Memorial Hall Thursday 20 June, 6pm

Pickering Community Support have organised the forthcoming **Police & Parents Evening** at Pickering Memorial Hall to give parents and carers the chance to connect with their local policing team.

The main focus for discussion will be around anti-social behaviour, but also some of the other concerns facing young people today, such as THC/Spice vaping.

This is a completely free event and all are welcome.

Lower Pre-Formal have enjoyed starting their Oceans Project!

They had a tuff tray of Cheerios and paint-coloured chia seeds to play with.
