Sid's Terrible Truths!

Emperors & Raffles

Did you know?

In 1911 there was a raffle held by an orphanage in Paris and the prizes were orphaned babies.

Did you know?

Roman emperor Elagabalus would catapult poisonous snakes into crowds in Rome.

Nurture 1

This week in nurture 1 has been all things Easter and spring! In art, we have enjoyed making scratch art Easter cards and painting egg cups. In food tech, we made delicious Easter nests.

Upper Formal 4

Mr. Scott's class enjoyed their trip together to Tenpin bowling in York. We wish Lee all the best going into his new class.

College News

Our college students have just completed their last session at Ryedale Swim and Fitness for the Spring term. Over the last few weeks they've shown great resilience, strength of character and team work skills! They've worked on their physical fitness and motor skills, while also having fun! Thank you to all the students for a super few weeks, and thank you to the college staff for making it happen!

Colour Run

In Nurture 2, we have been celebrating Autism Acceptance Week by focussing on what colours represent linked to Zones of Regulation. On Monday, we looked at red for anger, danger and caution. We created our own Colour Monsters using plasticine. On Tuesday, we read the Proudest Blue so we could learn about blue hijabs. On Wednesday, the children took part in an Autism knowledge session and shared experiences, strengths and difficulties and finished off their PowerPoint slideshow to share with each other. On Thursday, we looked at multi-colours and created our own rainbow and clouds. We listened to a song called Together We're a Rainbow, which shares all the different family's dynamics we may encounter. Friday, we went bowling to celebrate a fantastic half term and got absolutely filthy in this year's colour run. What a week!

EXCELLENCE

This week, Welburn Hall have been celebrating Autism Appreciation Week in conjunction with the National Autistic Society. The theme was 'colour'. The students have taken part in a series of information sessions, stories, creative projects and much more! It all ended with a very mucky but fun colour run. As you're aware, we have many students with ASD and we believe it is important to celebrate all needs as well as support understanding and knowledge along peers. The staff have all worked incredibly hard [despite being very tired!] so a huge thank you to them in making this week so special. A special thanks to Demi, Jane RB and CC for organising a fun and safe run. We look forward to celebrating another area of need very soon. Below are just a few images..
