

Welburn Hall Weekly

Friday 8 March 2024

Hello and welcome to our weekly Newsletter.....

School dinner arrears

We are currently owed £146.75 for unpaid school meals. We would very much appreciate it if you could check your account and make sure it is in credit.

Thank you for your understanding

Spring 2 – Food Tech Contributions

Payments can now be made towards Spring 2 Food Tech.

So, if you are able to contribute, please do so via [ParentPay](#). Thank you

As of today, 91% of ParentPay accounts **have been activated** – so thank you for your support and cooperation.

For those who have not activated their account, **please can you ensure that you login to ParentPay and sign up as a matter of urgency.** We need **ALL** parents to activate their account, even those receiving **Free School Meals** to ensure you receive the full benefits of the system. Thank you!

Redeem your vouchers for free holiday activities and food this Easter

We have issued vouchers to all families whose children/young people are eligible for free places on FEAST activities this Easter. You should have received this via email or text, from a platform called Holiday Activities. Follow the link in this email/text to redeem your voucher and book your child's place on some of the fantastic activities on offer in our area.

If you believe your child is eligible and you have not yet received your voucher, or you have lost it, please contact the school office.

To learn more about FEAST, and for information on activities, eligibility and how to manage your bookings, [visit the website](#).

For World Book Day Miss Leetham's Preformal class have been doing activities focused around George's Marvellous Medicine.

This theme was carried on in their Food Tech lessons where they cooked up some very colourful Yorkshire Puddings, which all went down well with a splash of gravy!

Wellbeing & Safeguarding

North Yorkshire Safeguarding Children Partnership (NYSCP) aims to ensure all children in North Yorkshire are safe, happy, healthy and achieving.

If you are worried about a child – this is the duty number: 0300 131 2 131 Or see their website here:

<https://www.safeguardingchildren.co.uk/about-us/worried-about-a-child/>

Upper Semi Formal 5 Explorers went to the school bungalow Thursday morning to make themselves some yummy bacon sandwiches.

They used lots of maths skills to count ingredients and equipment. They then cut their sandwiches into halves and quarters.

The best bit of course was eating them.

Red Nose Day is Friday 15 March

Welburn Hall School will be celebrating the day by having a non-uniform day.

To help raise funds for this event, we ask anyone wishing to make a payment to please [click here](#) to make the suggested £1 donation.

Please note that we will not be accepting cash donations in school.

Thank you for your support.

This week Lower Preformal have been busy making teacup bird feeders as Mother's Day gifts.

They all really enjoyed feeling what the seed felt like dry, but some were not too keen on the smell of the lard.

Hopefully our parents will like them.

Head Lice and Nits

Parents and carers please note – there are reports of head lice in school. Please remember to regularly check your child's hair and treat as necessary.

Please click here to [view the NHS website for further information](#). Thank you.

Both our Preformal classes joined forces to work on the farm this week.

Their job was to move some homemade compost to the vegetable patch to help enrich the soil.

They worked really hard and as you can see it took some skill to get that compost into the wheelbarrow!

They found worms and a caterpillar too. 😊

Mrs Barker's class have been doing lots of maths this week – looking at using money to buy things.

The class set up a stall, chose items that they were going to sell and priced them accordingly. They used 1p's, 2p's and 5p's to pay for things, counting out the coins and giving change.

Students also discussed how they might use money in different ways. Good answers were given, such as, paying for food at the shops, buying tickets for a concert or for train travel. Well done to everyone 🙌

We have to say thanks once again to Beadlam Grange Farm Shop, Bistro & Butchery for their unfailing generosity.

One of our students wrote a letter to request Easter eggs and they kindly dropped them in to us in the week.

Miss Marr's class are currently doing an Easter egg raffle to raise money for their forthcoming residential trip.

We've been very lucky to receive yet more donations this week. This time it was this amazing giant Easter Egg courtesy of Ryedale Lions.

This beautiful egg has been made by Birdgate Chocolatiers, who are Pickering based and makers of the most delicious chocolate!

As a school we do receive help from many local groups, so with this egg we want to give something back by supporting another charity.

Some students took part in a vote and we've decided that this egg will be raffled to sponsor an epilepsy assistance dog.

Parents and carers can send money in to class in an envelope – it's £1 a strip and tickets will be sent back to you.

Rebecca Sealy, our Senco, would like to say a huge thank you to anyone who responded to our recent, autism parent questionnaire and also to those parents/carers who spoke directly to the National Autistic Society.

Thank you very much for your input and support.

We don't know the results of our assessment yet, but the whole process was an extremely positive experience for our school.

We are keen to keep building on our knowledge of autism to provide the very best provision for our students and ensure that our staff have the most up-to-date knowledge and training.

Thank
You

In their English lessons, Mrs Barker's class have been reading 'Some dogs do' by Jez Aldborough, which was a great hit with pupils.

As a follow up they enjoyed making clouds, using cornflour and coconut conditioner to make it stick together, finished off with silver and blue glitter. Sid the dog teddy was very popular too!

Mrs Barker's class have been good at walking safely, in pairs, to the bike shed in preparation for going out and about in the community.

Everyone displayed road safety skills by listening and following instructions from teachers.

A good team effort. Well done!
