

# Welburn Hall Weekly

Friday 7 March 2025

Hello and welcome to our weekly Newsletter.....

## School dinner arrears

We are £136.00 in arrears for school meals. Can parents please clear any dept. School lunches must be paid in advance. Automatic top-up, for as little as £5, can be set up on Parent Pay.

Thank you for your understanding

## Spring Term Food Tech Contributions

Payments can now be made towards Spring Term Food Tech.

So, if you are able to contribute, please do so via [ParentPay](#). Thank you

Parent Pay activation letters have now been sent home in book bags.

If you haven't already done so, can we please request that you log in and activate your account. Even if your child has free school meals we still need parents to have their own Parent Pay account.

Your help is greatly appreciated. Thank you.

# Heads-up!

Dear Parents and Carers,  
What a wonderful evening we were treated to yesterday at Helmsley Arts Centre! There are days when being a Headteacher is the best job in the world and that was exactly how I felt watching our amazing, talented learners perform. There was singing, comedy and music topped off with a wonderful group performance.

We sold over 100 seats, and despite a few nerves, the audience were rapturous in their support. The raffle went down a treat, as did the marvellous cakes and treats that were on sale, baked by our enterprise group.

It was lovely to meet so many parents and carers and hear how proud they were of their young people. It is great to see so much support!

There will be pictures of the event in the newsletter next week and we are hoping for a reprisal of the group number in assembly today.

Miss Swaddle's class made bird feeders so that they can watch all the many and lovely birds that we have on our grounds at Welburn.

In Christina's science class, students have been learning all about the photovoltaic effect and the effects of light intensity on electrical output.

They tested this effect in groups with mini solar panels and voltmeters, and then recorded their excellent results in line graphs! The learners all worked exceptionally well in their teams!

As part of their Life Skills accreditation, learners complete a unit on household cleaning and using products safely.

Some of the learners in Anabel's class cleaned out the fridges in Food Technology. They made sure everything was thoroughly clean!!

A great job.

This term Miss Swaddle has been doing lots of work on phonics and learning new sounds. The classes have been split into different groups and are playing fun games, with prizes!!

# Easter Egg and Mushroom Decorating Competition

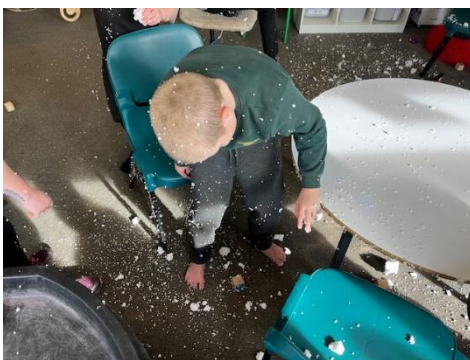

Learners in Christina's class have decided that they really want to get an incubator full of chicks for the school.

In order to raise the money for this they have organised an Easter Decorating Competition!

Any learner is welcome to take part and can buy a small wooden egg (£1.50), a large wooden egg (£2) or a mushroom (£2). Once they've chosen an egg or mushroom, they then can go ahead and decorate it!

The best decorated egg or mushroom will win a prize! Learners should go to Christina's class to pick out their egg or mushroom.

Our Pre-Formal class enjoying a sensory experience, sharing space together and with great social interaction.

They can have fun with anything!!

It was great to see many of our staff join in on the World Book Day celebrations!!

Our own Mad Hatter wasn't late, but didn't manage a tea party 😊

We were extremely happy to welcome our RDA back to Welburn Hall last week.

Some of our learners got to do horse riding for the first time and others were lucky enough to be returning.

In addition to enjoying some riding, they also learnt about grooming and the different parts of the horse.

We need to say a huge thank you to all our RDA volunteers.
