

Maths

We will:

Develop methods for addition and subtraction, multiplication and division and use these to solve problems.
Recognise and name 2D and 3D shapes and discuss their properties.
Sort 2D and 3D shapes based on their properties.
Link maths to everyday life.

English

As communicators we will:

Initiate and sustain positive interactions with adults and peers.
Show others that we can listen and respond appropriately.

As readers we will:

Develop phonic knowledge to help decode words.
Begin to show an interest in books, both fiction and non-fiction.
Grow the bank of high frequency words that I can read on sight.

As writers we will:

Apply phonic knowledge to help spell words phonetically.
Write labels, captions and short sentences.
Begin to recall the spelling of some high frequency words.
Use speech to text technology to help me to record my ideas.

Science

Explore how the seasons change. Observe and describe weather associated with the seasons and learn about how day length varies.

We will be studying lights and darkness, including how shadows are formed and how light is reflected on surfaces.

Other Curriculum Areas

PE

Exploring how we can stay fit and healthy.

Throwing and catching skills, bat and ball games.

Computing

We will be exploring what algorithms are and learn about how they work in games and other contexts.

Autumn 2

Nurture 1

Teacher: Daisy Dunning

Other Curriculum Areas

Creative arts

Music - explore pulse in music

Art - themed art projects around celebrations

Humanities

Learn about celebrations in Great Britain, including Bonfire night, Diwali and Christmas. We will learn about how these celebrations originated and discuss what people do to celebrate.

Life skills

Whilst in school we will:

Gain confidence when facing challenges in all curriculum areas.

Prepare snacks with increasing independence. Take responsibility for washing up and tidying away.

When out and about we will:

Develop our understanding of safety when out in the community.

Gain confidence when using money to pay in shops or cafes.

Personal and Social Development

We will:

- Use social stories to explore and discuss different social situations and how to manage them.
- Develop our self-esteem and learn about how we can cope when things go wrong
- Work with adults to make steps towards our individual social and emotional targets
