Jubilee Celebrations

A massive thank you to all the college cooks who prepared and served a delicious Jubilee lunch - fit for the Queen! It was really enjoyed by everybody and thank you to staff for supporting the students to make this happen

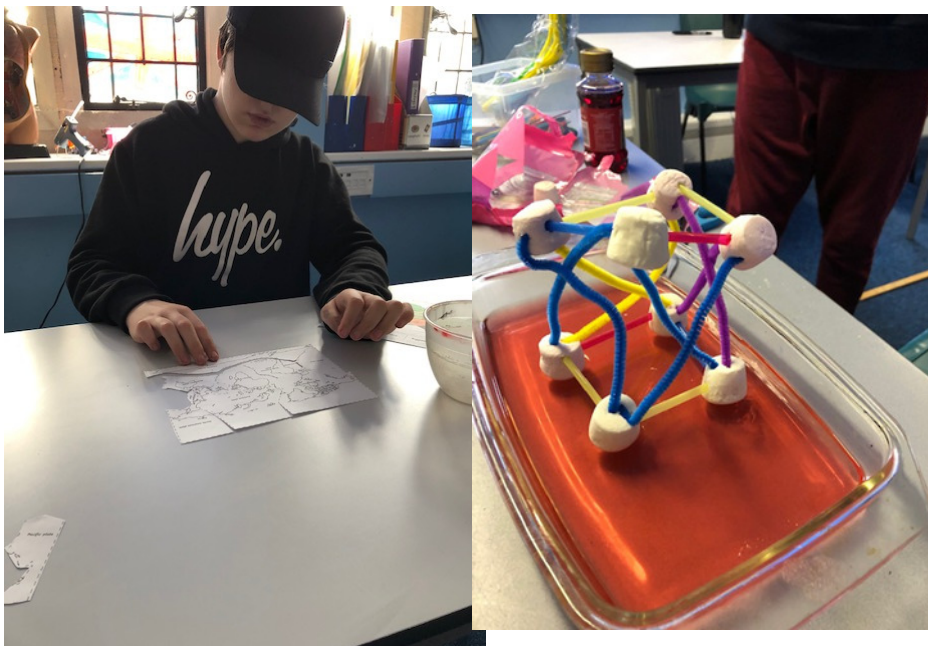

Singing God Save The Queen. We were joined by 'Her Majesty'. Thank you to Demi for making this spectacular Jubilee cake

the Jubilee lunch including shopping and working out how many sandwiches etc we needed as well as lots and lots of baking

This week, Nurture 2 have been busy exploring Fixed and Growth Mindset. We've really enjoyed quizzing ourselves and looking at things we can't do yet but we would like to do one day. We've also been exploring Japanese Folklore and the mysterious spirits linked to these. This afternoon, we learnt about tectonic plates, earthquakes, tsunamis and earthquake proof buildings. I particularly enjoyed building earthquake proof buildings using marshmallows and jelly - very sticky!

As a class reward for outstanding hard work through the term Formal KS5 had the cinema to themselves to watch Jurassic World!

Huge thanks to Palace Cinema Malton!

Royal Armouries Trip - Upper Formal 4

“We went to the royal armouries in Leeds. We got to see two people have a sword fight. We also got to see all types of swords and weapons that the knight’s and samurai used.

There was also loads of facts to read that educated you from the back story from the wars and what the weapons were used for, the two people that had a sword fight they taught us different ways to defend yourself and use the weapon correctly.”

Regan Fitzsimmons (UF4).

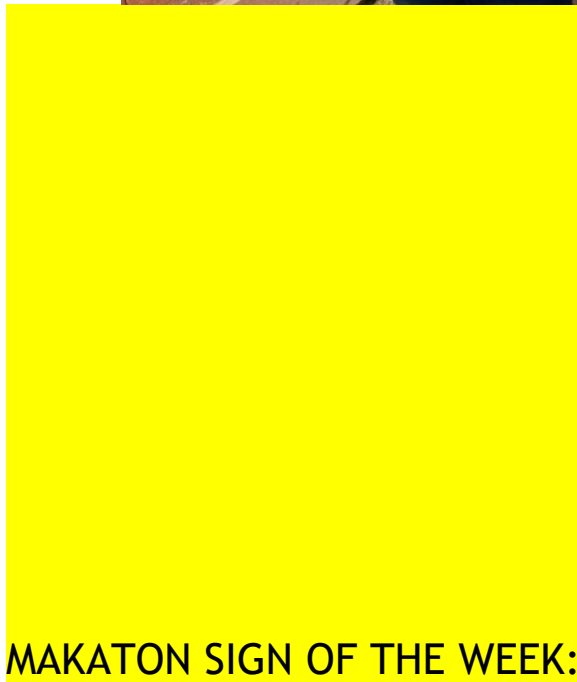

College students are performing **"And we're back"** a variety show at Helmsley Arts Centre on the 30th June at 7pm. Tickets are £5 and can be booked through the Helmsley Arts Centre booking office.

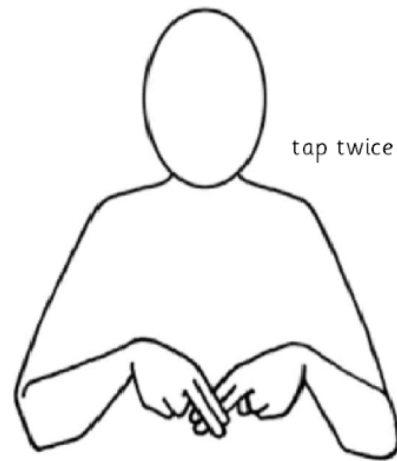

New recruit Holli, she loves her work experience. The team did really well getting the bird baths and feed trays clean.
