

Welburn Hall Weekly

Thursday 7th July 2022

Hello everyone.

Here are some photos of the vegetables grown by the students on the farm.

S spent 6 hours on Saturday being graded for her brown belt in Karate. She passed and was very pleased to show the class her belt and her certificate.

Huge congratulations this is a massive achievement well done!

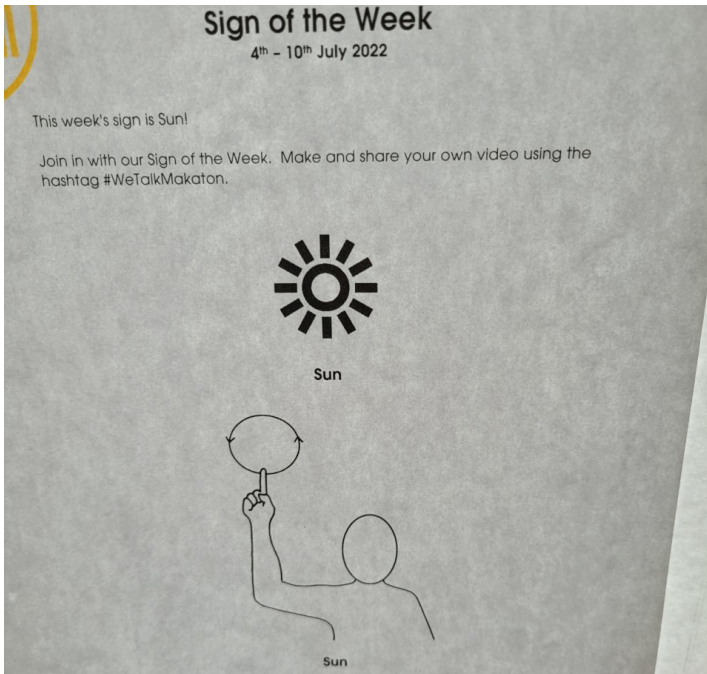

In Food Tech this week we have all made our very own vanilla ice cream

Here is Semi Formal 4 enjoying their ice cream, comments included it is ... 'tasty' and 'delicious' a definite winner!!

Mr. Scott and Mrs. Sealy's class enjoyed a trip to Scarborough. There were some tired feet by the end of the day after walking all the way from North to South Bay and back again! The chippy lunch made it all worthwhile and everyone had a lovely time.

MAKATON SIGN OF THE WEEK:

Additional Information:

School lunches will be menu two. Please can all parents clear any outstanding balances before the end of term.
