

# Welburn Hall Weekly

Friday 3 March 2023

Hello and welcome to our weekly Newsletter.....

## School Dinner Arrears

School is currently owed **£126.80** for school dinners. Please ensure that your account is always in credit and regularly checked.

## Spring 2 – Food Tech Contributions

Contributions can now be made towards Spring 2 food tech. So, if you can contribute, please do so via ParentPay. Thank you.

## ParentPay Accounts

As of today, **86%** of ParentPay accounts have been activated - so thank you for your support and cooperation.

For those who have not activated their account, please can you ensure that you login to **ParentPay** and sign up as a matter of urgency. We need ALL parents to activate their account, even those receiving **Free School Meals** to ensure you receive the full benefits of the system. Thank you!

## Comic Relief - Red Nose Day 2023!

This year, Comic Relief - Red Nose Day will be on **Friday 17<sup>th</sup> March**. We will be celebrating the day by having a non-uniform day.

To help raise funds for this event we ask anyone wishing to make a payment to please [click here](#) to make the suggested £1 donation.

Please note that we **will not** be accepting cash donations in school.

Thank you for your support.

## Lunches

w/c 06/03/2023 – Week 3

*Sid's Terrible Truths!*

*Mouse skin & soldiers' teeth*

*1: Did you know?*

*Georgian women would use strips of mouse skin for fake eyebrows and would stick them on with fish glue.*

*2: Did you know?*

*After the battle of Waterloo, scavengers would steal the belongings of dead soldiers including their teeth, dentists would buy these teeth to make dentures.*

## Nurture 2

This week, Nurture 2 have started to investigate inventors. We began with botanists and learnt about Sir Joseph Banks. In Zones of Regulation, we have been exploring the green zones in more depth. We learnt about the differences between calm, excited and happy. We measured heart rate to see how different a heightened heart rate made us feel.

## Food Tech

This term's theme for food tech is rainforests. The children are making bakes from various countries that have a rainforest. This week's recipe was Chilean Bundt cake. Everyone enjoyed making and tasting them. They looked fabulous.

## World Book Day

We had loads of fun dressing up as our favourite book characters! We loved sharing stories and recommendations about what we should read next!

We ended World Book Day with a whole school assembly and we took part in a parade to show everyone our costumes and each class shared their World Book Day activities!

## Work Experience

This week our very hard-working students, scrubbed two aviaries so they were ready to receive new birds. The birds are going to be in quarantine for one month and then hopefully matched up with a mate

## Making Connections and Being Kind

The Wellbeing In Mind Team visited school on Wednesday.

There was a stall in the assembly hall during lunchtime

Our students had some fantastic suggestions about how to and be kind to and how to connect with others. Here are some of their ideas -

'Opening a door for someone' 'Don't be mean to others be nice' 'Helping friends in PE', 'Welcoming new people to school' 'Sharing', 'Being thoughtful', 'Playing with friends', 'Writing a letter', 'Calling people on the phone', 'Being kind to family and friends'. They also thought about who was important to them, including - friends, family, pets and teachers.

Liz from the Wellbeing In Mind Team was very impressed with our students

## Fairtrade Fortnight

The children researched and learnt all about Fairtrade. Now they understand the importance of buying Fairtrade products to ensure that the farmers are supported and treated fairly.

They worked very hard at creating a display, which will be on show at St.Hilda's Church, Beadlam this Saturday from 1.30 - 4pm for a local environment event and then at the Co-Op in Kirkbymoorside.
