Heads-up!

Dear Parents and Carers

What lovely weather we are having!

For those of you weren't aware, we've included the news about the FEAST awards. The organisation around this has been fantastic and having been in on some of the days myself, I can say the activities are amazing. Well done to Jenna and all the staff who took part.

RDA news: some of you might have seen the article in the Horse and Hound featuring our Welburn lead, Elspeth Crookenden. Sadly, RDA cannot function at the moment until the mountain of earth and clay currently residing in the driveway is moved!

Flamingo Land trip: everyone is looking forward to Tuesday's trip to Flamingo Land, thank you to the Pickering and District Rotary Club for funding this!

Marianne

This week Miss Leetham's group have been all about making new friends and getting to know the class team, as they settle into the first half term.

The lovely weather means that they've been able to enjoy the sunshine in their colourful outdoor area!

If you haven't already done so, please complete your consent letter for your child to go on the school trip to Flamingo Land.

Please send them in with your child on Monday. Thank you

Welburn Hall Awarded School Champion from FEAST

In their first School Engagement Awards, we are very proud to say that FEAST has awarded Welburn Hall School their highest accolade of School Champion.

This is in recognition of the holiday activity clubs that Welburn Hall has provided for students. The award considers the quality of activities, the food, general organisation, as well as how we promote our clubs and assist parents to access them.

Jenna Kendell, Safeguarding and Inclusion Manager commented:

“Having done this for the first time at Easter, I’m thrilled to receive this award! We include lots of great activities, such as cooking, rebound therapy, arts and crafts, Lego therapy, and serve our young people freshly prepared, locally sourced food.

“We’ve enjoyed great parent feedback; they’re really happy about how their children have interacted with their peers and put themselves forward for things that they might not normally do. “

“In our summer programme, visits from the ice cream and fish and chips vans were a particular highlight!

“Via the activity days our staff interact with students in a relaxed setting, where the aim of the day is simply about fun and that has been a source of pleasure for all of us.”

Our next activity days will be during the Christmas holidays. Dates to follow.

FEAST is Food. Entertainment. Arts. Sport. Together. and provides a range of holiday activities for children and young people across North Yorkshire.
