We have also started learning about kings and queens, past and present. We role played being royalty, meeting the public.

We made crowns as part of our learning about kings and queens.

*Sophia H wrote if I was queen I would be kind and ride horses.*

*Sophia S wrote if I was queen I would shake some people's hands, be kind and helpful*

*Levi wrote if I was king I would be bossy. I would tell them to get my toys.*

We went out and about to Thornton le Park and made some pots of flowers in art to reflect the spring weather.

The college students spent a sunny afternoon at Clifton Moor, where we played bowling and snooker! Everyone took part and was amazingly supportive of their peers! There were quite a few spares and strikes, and a lot of laughter too! Can't wait to go back next week where we'll see how they do at later quest!

This week in Enrichment, Dalby Forest was the chosen location to have a beautiful walk in the sunshine. The walk was 3.7 miles with just over 10,000 steps achieved. There was also time for a sensory session, mud, wet sand and crystal clear water. The students commented on how being outside was helped them to unwind and relax.

Today we went to Eden Camp as part of our English and History work following our reading of Goodnight Mr Tom. Great day had by all!
