Heads-up!

Dear Parents and Carers

I hope you all have a wonderful half-term break and when we come back, it will be full steam ahead with planning for September 24. In late July we will be welcoming the new pupils in for some taster days and in the last week of term we will be having a full week of transitions, in the new classrooms and staff.

Teachers and TAs have had their new class lists this week, we hope to be fully staffed and be able to tell you exactly where your child will be and with what staff, in time for transitions week. Thank you in advance for the support, as many of the children (and adults!) do struggle with changes, but it's much better if we all know what we are doing before the summer break.

With the election coming up, we will be working on democracy and having our own hustings and elections, looking forward to the 4th July!

School starts back as normal Monday June 3rd!

Last week's fine weather (hard to believe now, but it was only last week) gave our Site Manager the chance to work on our beautiful grounds.

He was ably assisted in the task by some of our college students who raked the grass cuttings and deposited them on the compost heap. Great work!

Last week, the event that many of our college students worked so hard to raise funds for, finally happened. It was their week away at the brilliant Peat Rigg Outdoor Training Centre.

Students undertook a range of exciting activities and enjoyed many amazing experiences along the way!

Here are just some of the things our college students said about their time at Peat Rigg:

"I faced my fears and did the zip line"

"I cannot believe I did the abseil"

"the best bit was the team swing"

"canoeing was the my favourite activity"

"can I go again next year?"

Activities included a river walk, abseiling, zip lining, canoeing, orienteering, bushcraft, team swing, tree climbing, archery and so much more!

We are immeasurably proud of the way that our students were open to trying the many different activities available to them. Everyone did something new and really faced their fears.

What a fantastic experience!

What a fabulous display board in Upper Pre-Formal.

Outer Space was this half term's topic and they're looking forward to Oceans, which will be the new topic after half term.

On Thursday, we had a visit from North Yorkshire Music Association. We enjoyed listening to the band play music from Toy Story, Star Wars, The Incredibles and many more!

They also told us all about the instruments that they had brought with them.

Staff were all so proud of the way that our pupils engaged with the concert, and the musicians said that we were the most enthusiastic audience they have ever had!
