## Lower Formal

In History this term, Lower Formal have been learning all about the Ancient Egyptians! We have had great fun acting out wrapping a Mummy, learning about Hieroglyphics, and all about the reign of Tutankhamun who came to the throne at the age of just 8, and was Pharaoh for ten years until his death. Tutankhamun was believed to have had a clubbed foot and scoliosis of the spine and walked with sticks. Howard Carter, discovered his tomb at the Valley of the Kings, in 1922 and found several chambers in which there were several artefacts including Shields, a Chariot, 400 Shabti (small dolls that would act as servants for Tutankhamun in the after- life) and King Tut's gold death mask!

## Nurture 2

This week, Nurture 2 have been continuing their personalised topic themes. Ethan has been modifying and recycling old clothing to create new outfits, and we were really happy to receive some sewing machine support from the wonderful Janice. Ty and Noah have continued to explore where their food comes from and the different types of farming. The college students have been revisiting and building on their knowledge of money, and visited a local super market to buy their lunch ingredients

## Upper Formal

This week, for work experience Mr Scott's class did some litter picking around the grounds. Everyone was very enthusiastic even though it was cold. They all know how important it is to keep the environment clear of anything harmful to animals. They collected two carrier bags of rubbish and plastic. Well done everyone.
