

Welburn Hall Weekly

Friday 9th June 2023

Hello and welcome to our weekly Newsletter.....

School Dinner Arrears

School is currently owed **£237.25** for school dinners. Please ensure that your account is always in credit and regularly checked.

Summer 2 – Food Tech Contributions

Contributions can now be made towards Summer 2 food tech. So, if you can contribute, please do so via **ParentPay**. Thank you.

ParentPay Accounts

As of today, **87%** of ParentPay accounts have been activated - so thank you for your support and cooperation.

For those who have not activated their account, please can you ensure that you login to ParentPay and sign up as a matter of urgency. We need ALL parents to activate their account, even those receiving Free School Meals to ensure you receive the full benefits of the system. Thank you!

Lunches

w/c 12th June – Week 2

***** Just a reminder that we are a nut aware school *****

Please can all students bring a water bottle to school each day. It is important for students to stay hydrated during the day, especially as it is starting to get warmer.

This week's recipe was garlic bread

Wilma's class really enjoyed making it!

But not as much as eating it. Yum 😊

This year, our students are taking to the stage at Helmsley Art Centre on Thursday 13th July to perform a show for the local community.

This year's show is called 'The Talent Troop', and it will be focused on exactly that! Our students will be performing their best talents; from singing, to dancing, makaton and piano!

Tickets are on sale **now** direct from the Helmsley Art Centre Box Office, or online. There will be a raffle and cake stall in the interval, and it will be a fantastic event for everyone attending.

If you would like to purchase raffle tickets, they will be £1 per strip. There are some absolutely fantastic prizes available to win! Please join us on Thursday 13th July for this fantastic performance!

THE TALENT TROOP

Mrs Barker's class had a great time making their own boats, which encouraged lots of communication and discussion on how to build the best one!

This was followed up with much cheering and encouragement when we got to race them.

Playground Official Opening

Today was a fun event as we celebrated the official opening of our new and much-loved play equipment.

This fabulous edition to our school was purchased following funds raised in memory of Yvonne Bailey's husband, Steve 'Dosh' Bailey and with the will bequest of Thomas Wood.

As a family friend of Yvonne, we kindly asked Destinie to cut the ribbon and declare it open!

A very brave rider who was a little nervous, but ended up really enjoying herself and trotting!

Well done 😊

EXCELLENCE

On Tuesday, Wilma's Science class had to make a Pooter (a jar used for collecting insects with a tube that goes into the mouth to apply suction).

The object of this lesson: to document the diversity of insects that can easily be identified in the field. No need to worry about swallowing the insects though, as a fine mesh was put over the end of the tube to stop anyone swallowing the creepy crawlies.

We had a new helper in our work experience team this week. What a great addition she was too!
Lots and lots of scrubbing took place to get everything clean.

The staff at NCBP are really grateful for all the work our students accomplish.
