

# Welburn Hall Weekly

Friday 14<sup>th</sup> July 2023

Hello and welcome to our weekly Newsletter.....

## Please can parents settle all outstanding debts before the end of term

This includes money for school meals, as well as payment for trips and enrichment activities. These are all listed on [ParentPay](#) - which you can access by [clicking here](#).

All of our budget is needed for learning resources, so it's really important that accounts are cleared as a matter of urgency.

Thank you for your understanding

As of today, **87%** of ParentPay accounts **have been activated** – so thank you for your support and cooperation.

For those who have not activated their account, **please can you ensure that you login to ParentPay and sign up as a matter of urgency.** We need **ALL** parents to activate their account, even those receiving **Free School Meals** to ensure you receive the full benefits of the system. Thank you!

**We are a nut aware school**

Indie, our class rabbit, had a baby two years ago, who went to live with Jack, one of our pupils.

He was named Nibbles and last Thursday Nibbles came in to see everyone and particularly his mum, Indie. It was really special because some students were in our class when he was born and saw him grow up with his mummy.

Little Baby Bruno is Indie's nephew - his mum is Jasmine, Indie's sister. We were lucky enough to have Bruno visit us yesterday; he is just three months old.

The students enjoyed spending time with him and having lots of cuddles.

The rabbits have been a great source of therapy for our students within school.

## School's Out Take an emotional health check

Head into the summer with a better understanding of your **child's brain development** and their **emotional wellbeing** as you support them into their next new phase.

### FACT

Our brains develop most rapidly in childhood shaping our emotional health and wellbeing for the rest of our lives.

### HERE FOR YOU

Online courses developed by clinical psychologists can help you to **understand your child, read their behaviour and help them look after their emotional health.**

It was the students' last day of work experience at the National Centre for Birds of Prey in Helmsley.

As a reward for all their hard work and dedication over the past year, our students were given the opportunity to spend time with the most beautiful Brown Wood Owl.

The students would like to thank Amy, Cody, Kieron and Charlie for giving them such a wonderful experience.
