We visited Castle Howard

On Monday, our College students were the first (lucky people 😊) to use our new visitor passes for Castle Howard.

As you can see, it was a beautiful day and they all had a really lovely time!

Our sincere thanks go to the Carpenter family for kindly donating some baking tins and cutters for food tech. These are much appreciated. If anyone else has any baking tins they would like to donate, please send them in and we will make good use of them.

Many thanks to everyone who came to last Friday's Open Day. We're delighted to report that £352 was raised for Welburn Hall

For guessing the number of *Marbles in the Jar* our congratulations go to:

- 1st place to Dan Price
- 2nd place to Sid Askew

It was Cody's mum who won on *Guess the Weight of Indie*.

So very well done to Mrs Frank!

Also - call out to Marie Cook & C Wilson who have unclaimed raffle prizes!

Mrs Barker's class kicked off the school week exploring the fantastic Ryedale Folk Museum.

Lots of fun was had, finding out about how people used to live; especially the dressing up!

If this wonderful hot weather continues - please can we ask that **parents apply sun cream to their child before school.**

Students should all have their own bottle of sun cream, with their name on it, stored in their school bag (where supervision is required, we'll keep it safe in class).

We need parents' consent to reapply it, so if we don't already have written consent, we'll have to give you a call.

Thank you in advance!

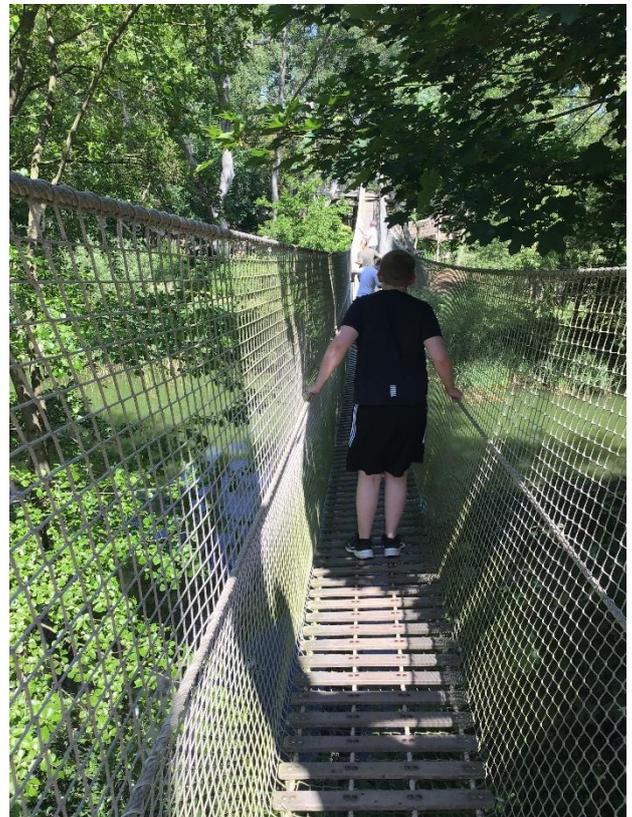

And this is how we cool down.....

Just in case there was any doubt as to how much we love them, Nurture 1 also took advantage of our wonderful new Castle Howard passes yesterday!

The class enjoyed walking in the grounds, playing in the park and sampling the delicious ice cream from the cafe.
