Caroline's class had a great day at Flamingo Land this week. The students' behaviour was excellent and we enjoyed our day tremendously. Thank you very much to Ryedale Special Families for allowing us to borrow their tickets.

Pete the beautiful school therapy dog took us on an adventure in our enrichment session to Duncombe Park, Helmsley.

Lots of lambs and wonderful scenery. We were all very surprised the Cascades didn't have the water flowing over it considering the amount of rain that has fallen locally. There is always time for some sensory moments, exploring the feeling on the skin, texture, temperature and smell of the sandy mud.

We were painting this week at work experience. The students used rollers and brushes to paint the walls after they had deep cleaned the bird's aviaries. The bird keepers commented on what a fantastic job the students had done!
