

# Welburn Hall Weekly

Friday 21<sup>st</sup> July 2023

Hello and welcome to our weekly Newsletter.....

## Please can parents settle all outstanding debts before the end of term

This includes money for school meals, as well as payment for trips and enrichment activities. These are all listed on [ParentPay](#) - which you can access by [clicking here](#).

All of our budget is needed for learning resources, so it's really important that accounts are cleared as a matter of urgency.

Thank you for your understanding

**ParentPay**

As of today, **87%** of ParentPay accounts **have been activated** – so thank you for your support and cooperation.

For those who have not activated their account, **please can you ensure that you login to ParentPay and sign up as a matter of urgency.** We need **ALL** parents to activate their account, even those receiving **Free School Meals** to ensure you receive the full benefits of the system. Thank you!

## Week 1 for lunches when we return in September

**We are a nut aware school**

Annual reviews for next years have already been planned and you will receive an invite to attend, in person or by Teams, six weeks before. A reminder email will be sent one week before. Attached to the invite is a Section A template from the EHCP. This is lovely to complete and return before the review so you're able to think about and share your views, without feeling on the spot.

Please attend your child's meeting or let us know at least a few weeks before if you are unable to attend. Outside agencies need six weeks' notice and it will be unlikely for them to attend cancelled appointments at late notice.

The Year 14 and Year 11 children will have an annual review before Christmas. This is to allow us all plenty of time to plan preferences for September 2024. If your child is in Year 11, they need to request a place at Welburn College. New starters will also be invited to a "Moved In review around October half term. These children will then have an annual review in the summer term.

If you have any questions, please don't hesitate to contact us.'

We were very happy to welcome Miss Marr back!  
 For transition week her new class have enjoyed some team building games and activities; including a scavenger hunt and an egg drop.  
 It's been so much fun!  
 We want to wish all of our students a fantastic summer holiday and look forward to welcoming everyone back together in September.

Lots of fun in the last couple of weeks with the Lower school classes. We loved our mini sports day with Sarah Owen, who of course couldn't resist joining in with our amazing pupils.

We've also enjoyed several parties and celebrations to round off another fantastic year!

We will all miss you Sarah, but hope to still see you when you pop into school.

We all wish you lots of good luck and best wishes for your next chapter.

EXCELLENCE

The leavers went to Castle Howard on Monday and we are super proud of Holly B, she walked on the swing bridge all by herself. We had lovely ice-cream before we head back to school.

CASTLE HOWARD

Sensory circuits groups have been running three times a week here at Welburn Hall School. The pupils carry out 30 minutes sessions. This helps pupils to alert their brains enabling them to engage in their learning more effectively, back in the classroom learning environment.

The last six weeks pupils have been successful in joining in a variety of tasks such as basket ball bouncing drills, balancing and coordination skills in therapy ball circuits, buggy board work, has was also been a favourite with pupils. They have shown good physical strength and organisational skills. Well done everyone who attended the six-week programme.
