## More Work Experience at Park House Barns for Our Students

Once again, we were really proud of our students who successfully completed a morning of delicious work experience. It was a real treat to have yet more expertly dipped chocolate marshmallows, all beautifully decorated by our team! Everyone worked well together and came home with a nice bag of chocolates to share with the family.

# Chocolate Enterprise Challenge

On Monday morning our KS4/KS5 Formal students all took part in a Chocolate Enterprise Challenge.

The students were arranged into teams, and they had to assign different job roles to team members. Students had to all work together to design a completely new box of chocolates.

Those responsible for marketing had to pitch their product, the finance managers had to work out the costings and profit, while the design team were in charge of making the prototype box. All students worked really well and came up with some fantastic ideas. Well done everyone!

# Getting Crafty...

In Upper Semi Formal 5, on a Wednesday afternoon, our students are getting very crafty!

The results are some gorgeous, hand coloured, 2024 calendars and fun, doggy bandanas!

One student would like to start his own small business on a Thursday afternoon during work experience; he will be creating dog inspired crafts - watch this space!!!

Here is Pete the therapy dog wearing his own cute bandana!

*Merry Christmas to all of our students and their parents/carers*

**Please remember that the first day back at school is:**
