

Welburn Hall Weekly

Friday 23rd June 2023

Hello and welcome to our weekly Newsletter.....

Parents are respectfully requested to ensure school meals are paid for in advance

School meals are £2.75 per day and are to be paid via **ParentPay** by [clicking here](#).

Parents are probably unaware – but any outstanding money is passed on to the school. School budgets continue to be under strain and we do not want to divert any money away from learning resources.

Unfortunately, parents who continue to incur a debt will be asked to provide their child with a packed lunch until the debt is cleared. **Thank you for your co-operation.**

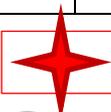

ParentPay

As of today, **87%** of ParentPay accounts **have been activated** – so thank you for your support and cooperation.

For those who have not activated their account, **please can you ensure that you login to ParentPay and sign up as a matter of urgency.** We need **ALL** parents to activate their account, even those receiving **Free School Meals** to ensure you receive the full benefits of the system. Thank you!

City & Guilds

The College Construction group have now successfully completed their City and Guilds course at York College.

This term the students have been learning about painting and decorating - useful skills for work and home.

As you can see, they have all shown excellent concentration and attention to detail.

Their tutor, Tom, has been impressed by the students' abilities and progress over just a few weeks.

Please don't forget water bottles. It's really important for students to stay hydrated, especially in the hot weather. Thank you

And we're still very much enjoying our Castle Howard visitor passes!

EXCELLENCE

Semi-formal 5 had a fabulous class trip to Scarborough!

Many thanks to one of our mums for lending us a beach hut. The beautiful weather meant we could eat outside, paddle, rock climb, make sandcastles, chill on deckchairs and generally have a lovely time at the beach.

EXCELLENCE

College students enjoyed exploring a dry river bed, taking a sneaky peak at some hidden caves in Kirkdale and the dried up ford in their enrichment session.
