The Great Escape

Formal KS5 went to an escape room in York to practice their teamwork and problem-solving skills!

The class was split between one of two themed escape rooms. One was a wizarding theme and the other Alice in Wonderland.

They had just 60 minutes to escape, with many challenges along the way. Much fun was had by all!

One team made it out with only 6 minutes to spare.

Healthy Eating

Formal KS5 are having sessions about healthy lifestyles by our School Nurse Support Worker.

This week they talked all about portion sizes. The students were quizzed on recommended portion sizes during a practical activity.

Next week they are going to be looking at food labels to find out more about what we eat.

Phonics

Mrs Scullion's phonics group really are a hard-working bunch.

They have been working on words that have the 'special friend' I - c and reading the book, *Chips*. As well as enjoying having lots of stories read to them.

They deserve a mention because they persevere and produce excellent work. They act as role models for other students who come into class and Mrs Scullion is extremely proud of them!

Our College students have been busy making lots of Christmassy things during their Tuesday afternoon Enterprise sessions. And this stall at the Beadlam Grange Christmas Fair is the result of all their hard work.

As well as making the wares to sell, they helped set up our stall and are busy manning it over the next few days.

Why not drop in to say hello - if you can 😊
