Nurture 2

In Nurture 2 this week, we have been finishing off some of our topics. Ty and Noah have been preparing their plot and visiting established allotments for design ideas. In Science, we learnt about the heart and how to keep it healthy. We used a real ox heart to see the different chambers. Ethan has worked with a famous illustrator, Steve Graham, to create underwater sea creatures [see below]. Katelyn has been making Xmas gifts for students and staff to buy. If you would like a packet of reindeer food for £1 or a bath bomb for £2.50 please ask your child to complete an order form, which are kept in their class.
