

Welburn Hall Weekly

Friday 30th September 2022

Hello and welcome to our weekly Newsletter.....

In Nurture 2 this week, we have dived into our topic 'Crime and Punishment' by learning about some very interesting crimes since 4000BC. We have started measuring our garden and visited the garden centre to explore the best type of crop for the time of year. We are also learning about plants, pollination and bees so we can ensure we are preparing our plot to attract as many bees as possible next year. Most of our children have made some seriously delicious Yum Yums and Ethan has been working incredibly hard on this wonderful diorama.

At Work Experience This Week:

The birds were very grateful for a clean bird bath and fresh water. Some birds including the Golden Eagle came very close to the students as if they were saying thank you.

In Upper Formal this week Scarlett did her Grade 1 Horse Management and passed. Sarah rode a horse for the first time in ten years and loved it.

School Dinners

Please can you ensure that you email admin@welburn-hall.n-yorks.sch.uk a week in advance, the days your child is having a packed lunch so that we can inform the kitchen. Thank you.

Flu (Nasal Spray) Vaccination

Unfortunately, the Immunisation Team were unable to administer the flu (nasal spray) vaccination on Tuesday. We have been informed that they will be sending a new registration link as there were various problems with the last one. Pupils up to and including the age of 17 will be eligible for the flu nasal spray.
