Snowy walks

Mr Kaufman's class took the opportunity to enjoy a lovely snowy walk.

In partnership with Knowsley CLCs, all parent/carers are invited to an:

And during their maths lessons the class investigated heavy and light.

Online Safety Information Session

Current trends – what children are doing online and what apps/games are popular amongst children.

Understanding the Risks – a look at the risks associated with using technology, in particular when using social media, online gaming & live streaming.

What can you do? – suggestions on how you can support your child with their online lives and what parental controls are available to help you.

Further Support – signposting to services that are available to help you.

**WEDNESDAY
31ST JANUARY
2024**

9.30AM – 10.15AM

This free online safety information session will be made available to all parents.

A link to access the guidance will be sent out the week before.

We hope it's of interest.

Introducing our Student Council and Wellbeing Team

Welburn Hall School is delighted to welcome our newly formed Student Council and Wellbeing Team. These students have pledged to uphold our school values of respect, perseverance and excellence and sometimes go even further. They devote their time to helping others and make our school an even better place!

Everyone within the team is of equal importance and their new roles are:

Wellbeing Ambassador, School Buddy, Deputy Student Leader, Student Leader and School Council Member.

Reverend Sue was incredibly honoured to present them with their new badges and felt that it was the perfect way to start our new year!

We are very proud of you all and want to welcome new members, with their ideas, at our regular school council meetings.

Enjoying Healthy Eating

Upper Formal spent some time this week discussing healthy eating.

They looked at foods that are good for us and some that are maybe not so great, as well as what we think are the right portion sizes.

Well done everyone!

Science in action

Upper Formal had lots of fun this week experimenting with magnets and using iron fillings to visualise magnetic fields.

Mr Kaufman's class followed instructions to create a boat to save people from the fire of London

Then they took them to the river, to see if they would float.

Guess what? They did!
